SPORT

Plans for the Kansas-Missouri game here Thanksgiving Day are already well under way. The seating arrangement on Rollins Field will be much the same as two years ago—the concrete bleachers for Missouri, and temporary bleachers to be erected on the north side for Kansas. Besides the boxes with the concrete bleachers there will be a row of temporary boxes on the south side of the running track and three rows on the straightaway. A section of bleachers will be

put at the west end of the field for negroes. The east end will be used for standing room. The seating arrangement as planned will accommodate 8,500 persons. The prices of tickets are the same as in the past, box seats \$2.50, bleacher seats \$2.

Special sections will be reserved on the concrete bleachers for rooters. Only University men will occupy seats in this section. Blocks of seats will be held to fill applications of old M. men and alumni. An effort is being made now to interest the alumni of Harvard and Yale in Kansas and Missouri to make the game here an opportunity to get together since their annual homecoming has been abandoned as the Yale-Harvard game has been cancelled this year.

Application for tickets may be made at any time after Thursday of this week. Boxes and application envelopes will be placed in Academic Hall and Rothwell Gymnasium and at one of the downtown stores. The first allotment of seats will be made November 10, and all applications made before that date will receive the same consideration. All tickets not called for by November 23 will be placed on sale.

More than 2,000 letters and application blanks will be sent out to M. men, alumni and friends of the University by the athletic department this week.

Applications are coming in every

day from out-of-town people, and in spite of the flood and score of the game here two years ago, there are no indications that there will be a falling off in attendance.

Missouri Didn't Place In Cross-Country Meet.

Ames won the cross-country meet from Missouri Saturday afternoon over the 5-mile course at Ames in 27 minutes and 3 seconds. Hawthorne of Ames was the first man to complete the long race, having four of his teammates within a yard of him. Missouri did not place among the first five runners. The first five Ames men were Hawthorne, Fritz, Cromer, Schenk and Jones.

Another Tryout Soon For Cross-Country Team.

The poor showing of the cross-country team at Ames Saturday has not discouraged D. D. Moss, the coach, who is busy trying to get the Valley meet at Columbia. Coach Moss has announced that there will be another try-out soon. The winner will get a turkey and the winning department, a loving cup. Freshmen as well as upper classmen are eligible.
